

## **Universal Rear Adapter for Peg-Pérego John Deere Ground Force Tractor enabling to mount RollyToys Accessories**

**One sturdy adapter** made from galvanized 3 mm steel enables to combine **four different RollyToys accessories** with the Peg-Pérego John Deere **Ground Force tractor**.

- **the rollyBox**

- **the rollyPowerwinch**

- **the rollyBackhoe**

- **and any RollyToys trailer**

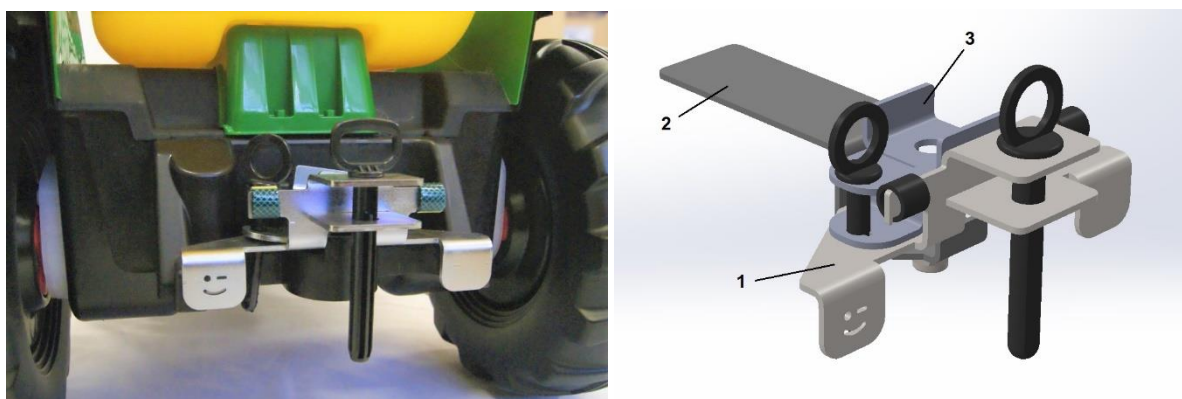

## Toy-gineer – accessories for technical toys

An extra **back-adapter** is added for connecting the original Peg-Pérego trailer without dismounting the adapter.

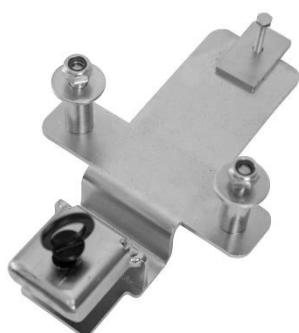

The adapter consists of a main support (1), a bottom reinforcement plate (2) and a back-adapter (3). It is delivered with one Ø10 and one Ø14 mm plastic pin. Fastened by one M10 nut without modifications on the tractor.
